

Pay at over 1 million locations across the U.S. with Android Pay.

How to get started:

Simple Setup

Make fast mobile payments with most Android™ phones. Look for the Android Pay™ app on your device.

Easy to Use

Once you have downloaded the Android Pay app, add any of your Western State Bank MasterCard® credit, debit, small business and reloadable prepaid cards.

Extra Security

That's it! Now you're able to pay easily and securely with Android Pay on your device at over 1 million locations across the U.S.

Member FDIC.

Android Pay is compatible with NFC and HCE-enabled devices running KitKat 4.4 and above. Learn more at android.com/pay.
